

## STATEMENT FOR APPLICATION

**for bachelor's, master's, one-tier master's, non-degree programmes and postgraduate specialist training courses**

By clicking on the "I accept" button, I agree to the following.

I agree and understand that the Sending Partner, Tempus Public Foundation, the organisation that awards the Stipendium Hungaricum scholarships, and the higher education institutions that the application applied to may collect process and use **my personal data** submitted as part of the application and enrolment process. The data is collected, processed and used to check the eligibility for participation in the programme; conduct medical screenings, follow up, reporting and financial monitoring; and prepare statistics, informational materials, surveys and research. My personal data can be stored and handled for 10 years. Data can be handled by the relevant employees of the Tempus Public Foundation and the higher education institution, participants of the reporting and monitoring processes, authorities responsible for supervision and inspection, health care providers responsible for medical screenings and anonymous experts and researchers analysing the implementation and the impact of the programme. All safety measures shall be taken to ensure data protection with special regard against unauthorised access, modification, forwarding, publication, deletion or destruction, as well as incidental destruction and damage.

I agree and understand that, once I am a Scholarship Holder, I will be required to **sign a scholarship contract** with the Host Institution. I also understand that the Stipendium Hungaricum scholarship is a contribution to the living costs of the Scholarship Holder only; therefore – within the framework of the programme – visa-related assistance, additional allowance and administrative services are not provided for any accompanying people or family members. The legal entity of the scholarship contract is exclusively the Scholarship Holder and the Host Institution.

I agree and understand that once I am a Scholarship Holder, I will be expected to **follow the regulations of the Host Institution** and continue my studies in good faith, to the best of my abilities, in order to meet the academic requirements of the study programme and thus finish the programme successfully. If I am selected to be a Scholarship Holder, I agree to participate in the alumni system of the programme that supports the maintenance of relationships with the Scholarship Holders and facilitates the flow of information – such as the alumni website, alumni events and surveys about the satisfaction of students, career monitoring and the evaluation of research activities.

I agree and understand that scholarship-holder students must complete at least 18 credits on the average of the last two semesters with an active student status; otherwise, their scholarship status shall be terminated.

I agree and understand that in the first year of my studies, I shall be required to attend the course „Hungarian as a foreign language” offered by the host university and to pass an exam at the end of the second semester (except scholarship holders studying in the Hungarian language). Scholarship holders who do not attend the course will not be able to receive the monthly stipend. The monthly stipend for students who take the course but fail to pass the exam will be reduced to 30,000 HUF/month.

I agree and understand that once I am a scholarship holder, I am **obliged to live and study in Hungary**; therefore, I am not allowed to live habitually in any other country during the study period; otherwise, my scholarship

holder status will be terminated. I agree and understand that I shall register in person at the international office of my host institution at the beginning of each semester.

I agree and understand that I shall not be entitled to use financial support for enrolling in full-time or partial (exchange) study programmes outside Hungary (e.g. Erasmus +, CEEPUS, Campus Mundi) for more than 30 days and that I will be entitled only to participate at conferences or research activities that are professionally relevant for my studies. These activities should not exceed 30 days but can also be supported within the framework of other scholarship programs (e.g. Erasmus +, CEEPUS).

I agree and understand that applicants are also not eligible to receive the Stipendium Hungaricum scholarship if they have another **concurrent scholarship from the Hungarian central budget** for studies in Hungary. If I am awarded more than one scholarship, I shall choose one of the scholarships and renounce the others.

I agree and understand that **under the Operational Regulations of the programme, the scholarship status is terminated if**

- the Host Institution terminates the student status of the scholarship holder,
- the scholarship holder withdraws from the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution),
- the scholarship holder had obtained their degree at the study programme supported by the scholarship,
- the scholarship holder does not live in Hungary habitually, and the Host Institution terminates their scholarship status for this reason,
- the scholarship holder obtains Hungarian citizenship (including those with dual citizenships), is a stateless person, refugee, protected individual, asylum-seeker, admitted individual, obtains a long-term residence status or obtains any other status that does not fall within the scope of Section 39 (1) a) of the Higher Education Act. the scholarship holder is convicted as a result of institutional disciplinary or criminal proceedings
- the scholarship holder does not fulfil their obligation to participate in medical screenings and their additional obligations set out in the healthcare protocol, or provides false information in relation to the health screening protocol during the application period or their scholarship period,
- in other cases described in the Operational Regulations of the programme in effect.

I agree and understand that in case I am awarded the Stipendium Hungaricum scholarship, and following the acceptance of the scholarship I do not travel to Hungary and start my studies, nor do I notify Tempus Public Foundation of this fact, I will not be eligible to reapply for the Stipendium Hungaricum scholarship within three years from being awarded.

I agree and understand that applicants who are awarded the scholarship cannot get a scholarship holder status if they

- withdraw the scholarship in a written form (sent to both Tempus Public Foundation and the Host Institution) or in the application system,
- do not upload their missing application documents until the deadline given in the Call for Applications,
- do not arrive and enrol until the registration date specified by the Host Institution (except in cases described in the Operational Regulations) or
- do not hold a secondary school graduation certificate until 1 August 2024.

I agree and understand that all scholarship holders are bound by the Operational Regulations of the Stipendium Hungaricum Programme.

I hereby confirm that I am not a Hungarian citizen.

I understand that the scholarship can be awarded to only those born before 1 September 2006 unless they apply for dance study programmes at bachelor level.

I understand that the regulations can be subject to change, and the Scholarship Holders are bound by the prevailing regulations at any given time.
